2022

RUNNERS PRE RACE

INFORMATION PACK

PREPARED BY RACE DIRECTOR BRETT SAXON

Welcome and thank you for supporting the 9th running of the Brimbank Park Running Festival. It's been a challenging 12/24 months and we are mindful of the stress in all our lives and getting outside in fresh air while maintaining social distancing can only help those struggling with the current environment. Our goal at Trailsplus is to provide a safe, friendly, encouraging opportunity for people to connect with trail running and enjoy the outdoors and our local parks, trails and mountains. Whether a first timer or experienced runner, we see everyone as an important individual on his or her own journey. Participants have several options to choose something that suits their level of fitness, ranging from 2km, 5km 10km 21.1km, 42.2km or 50km. One person achieving a 5km finish can be as equally challenging and rewarding as someone who finishes a 50km run. These are all great personal results, and we want to help you achieve them.

Since 2007 Brett and Trailsplus events have been supporting CanTeen, the organisation for young people living with Cancer. We have raised well over \$60,000 for charities since 2007.

Brimbank Park is a hidden location of the west on the Maribyrnong River. It hosts many joggers, cyclist and family fun activities. You will be sharing the track with these people on race day. I'm sure they will be intrigued by your efforts and commitment to run long or short distances. Please ensure the running community is well represented and respected by the way we conduct ourselves. You may find they walk two or three wide, please be patient and make your way past them safely and politely.

Most of all, come and have a safe and great day.

Thanks again for supporting the event.

We must not overflow any one car park and therefore it is important we spread ourselves across all of them as evenly as possible leaving room for the public. Please accept the marshals directions when advised which car park to use. You are coming for a run, so don't complain about having to walk an extra few hundred metres. Help us keep traffic moving steadily.

COURSE NOTES AND SAFETY

PROTECTING THE FUTURE OF THIS EVENT

The future ability to hold this event always depends totally on how we as a group conduct ourselves. Parks Victoria does not guarantee we can continue to hold this event. It only takes one complaint from a member of the public to jeopardise the race's future. Please abide by the guidelines below to ensure the future of this event.

RESPECT OTHER PARK USERS

Do not startle people by charging up behind them, let them know you are coming, don't yell loudly, be respectful and pass by safely or take a wide birth, remember there will be small children and people with dogs. No doubt some on long leads that will want to run under your legs. They have just as much right to use the paths and trails as we do, so please respect them and be tolerant, try to predict what might happen as you approach and avoid any issues. They may be on the line you wish to take, if so, please pick another line even if it is a little longer then you had planned. Under no circumstances should a runner make contact with a member of the public not even the slightest contact brushing past them. They may be wearing earphones with music and not hear you coming, please be mindful of this when approaching them. The park is also a favourite spot for some

special needs groups and they may not understand how to keep themselves out of your way, please take care and be aware.

ENVIRONMENT

LEAVE NO TRACE

Do not leave any rubbish at all on the trail. It is very important that we don't drop rubbish or let rubbish get away from us at the aid station, particularly our Gel packets and tear off tabs. Please don't drop anything on the track, carry them with you to the aid station or drop in the bins provided.

REFUNDS

As per our refund policy, your entry fee is not refundable or transferable. You may view the refund policy on your registration acknowledgement and the Trailsplus website (under Terms and Conditions).

HELPING RUNNERS IN NEED

It is requirement of entry to the event that you assist any runner in need of help, if you come across an injured or distressed runner please offer assistance or get assistance for them. Runner's health and safety is our number one priority. We will take into account the time (in regards to your finish time) you spend with a runner in need if you are then able to continue on with the event and finish.

PERSONAL BELONGINGS

If you intend to have valuables please consider locking them in your car and out of sight. As this is a highly public accessible area and we cannot guarantee the security of your personal effects. There will be an area to place your bags but we strongly advise to secure your valuables, as we cannot watch over the bag area all the time. WE do not provide security to watch your items, they are your responsibility.

DOGS IN THE PARK

Dogs are permitted on leads, you are welcome to bring your pooch along to join you in your event, but please ensure it is kept on a short lead and does not cause a hazard to other park users or participants.

MUSIC DEVICES

Whilst we understand many runners like to run with music, It is a requirement of our permit due to the none exclusive use of the track that **you always have one ear open to the surrounds**. It is also extremely important that you hear instructions from officials and warnings from other runners. Remember many runners will be offering you encouragement and so will supporters, so please consider how you may be able to hear and acknowledge the support you will receive. Also it is extremely important you are aware of your surrounds and other trail users. These may be other runners or cyclist warning you they are coming. Please understand and don't put organisers in the difficult position of disqualifying runners for breach of this rule. By breaching the rule, you also put the future of the event in jeopardy due to the potential risks and possible complaints from the public. You are with lots of people and in a great location, listen and enjoy the surroundings.

FINISH LINE

We have electronic chip timing on the start finish gantry with timing clocks and camera recording of the event all day. The cameras on the gantry will record the entire event, so make sure your finish looks good on film. Also try to avoid looking down and stopping your watch as you approach the finish line as we may have a photographer to snap your finish. We hope to take a finish line picture of you so cross the line with your arms raised and celebrate, then stop your watch 1 second later 😊

RACE NUMBERS – WE DO NOT POST THEM OUT

All participants must CHECK-IN AND COLLECT THEIR RACE BIB on race morning.

Please ensure your bib is clearly visible for the duration of the race.

ON COURSE AID STATION PLACEMENT CHANGES

There is no Afton St aid station impacting the 50km runners will not be in use. Be sure to stock up at canning reserve aid if needed as its 5km out and 5km back

These changes mean that the maximum distance for the 50km runners will be 10km while generally aid stations are around the 5-6km apart in other places.

ROAD CROSSING AND PATH MERGING

There is one road crossing in Brimbank Park for runners, this is located high on the escarpment. The crossing is configured as a Pedestrian Crossing and crosses the main entry road into the park. The speed limit is 20km/h. However we will still have a Marshal stationed here to ensure you safely cross the road. Although vehicles by law should give way, we assume they don't. Therefore, don't assume right of way and be sure to listen to the marshal.

OUR PERMIT REQUIRES THAT WE STOP RUNNERS

WE MUST NOT STOP TRAFFIC

PLEASE EXERCISE DUE CARE HERE

TREAT IT LIKE ANY PEDESTRIAN CROSSING WITH CARE

PLEASE FOLLOW THE INSTRUCTIONS OF MARSHALS AND OFFICIALS

RECOVERY CRYOTHERAPY

The team from The Champions Edge will be onsite with their Cryotherapy chamber for some awesome post run recovery. (Heads up) it's not a free service as the product used to cool the chamber for each session is very expensive. It should be viewed like a post race massage session. So if keen to give it a try, bring a payment method, speak to Braydon and the team and learn more about it. I have personally had one session and while one is never enough to make a judgement on the effectiveness, all I can say is I have been injured for 5 years with very little running possible. Coincidence or not, recently I have strung several sessions from 5 – 15km together and have some confidence I may be able to keep improving, so who knows, it just might work for you, but its cold, but if planning to give it a go, have the mindset of the cold is good and stick at it for the 3 minutes.

COURSE NAVIGATION

Navigating the course “EASY”. It really is!

Please observe the arrows and Pink and Yellow Ribbons and other notices that will be placed on the course. There will also be ground markings showing you the way.

HERE ARE EXAMPLES OF SIGNS YOU MAY SEE .

YOU WILL SEE SEVERAL SIGNS SIMILAR TO THESE.

ONLY READ THE ONE WITH YOUR DISTANCE AT THE TOP or NEXT to the distance you are running. Remember you may arrive at the same intersection more than once and go a different way. REMEMBER, don't just follow the person in front, they may not be in your distance, errors made by you mean a DNF result.

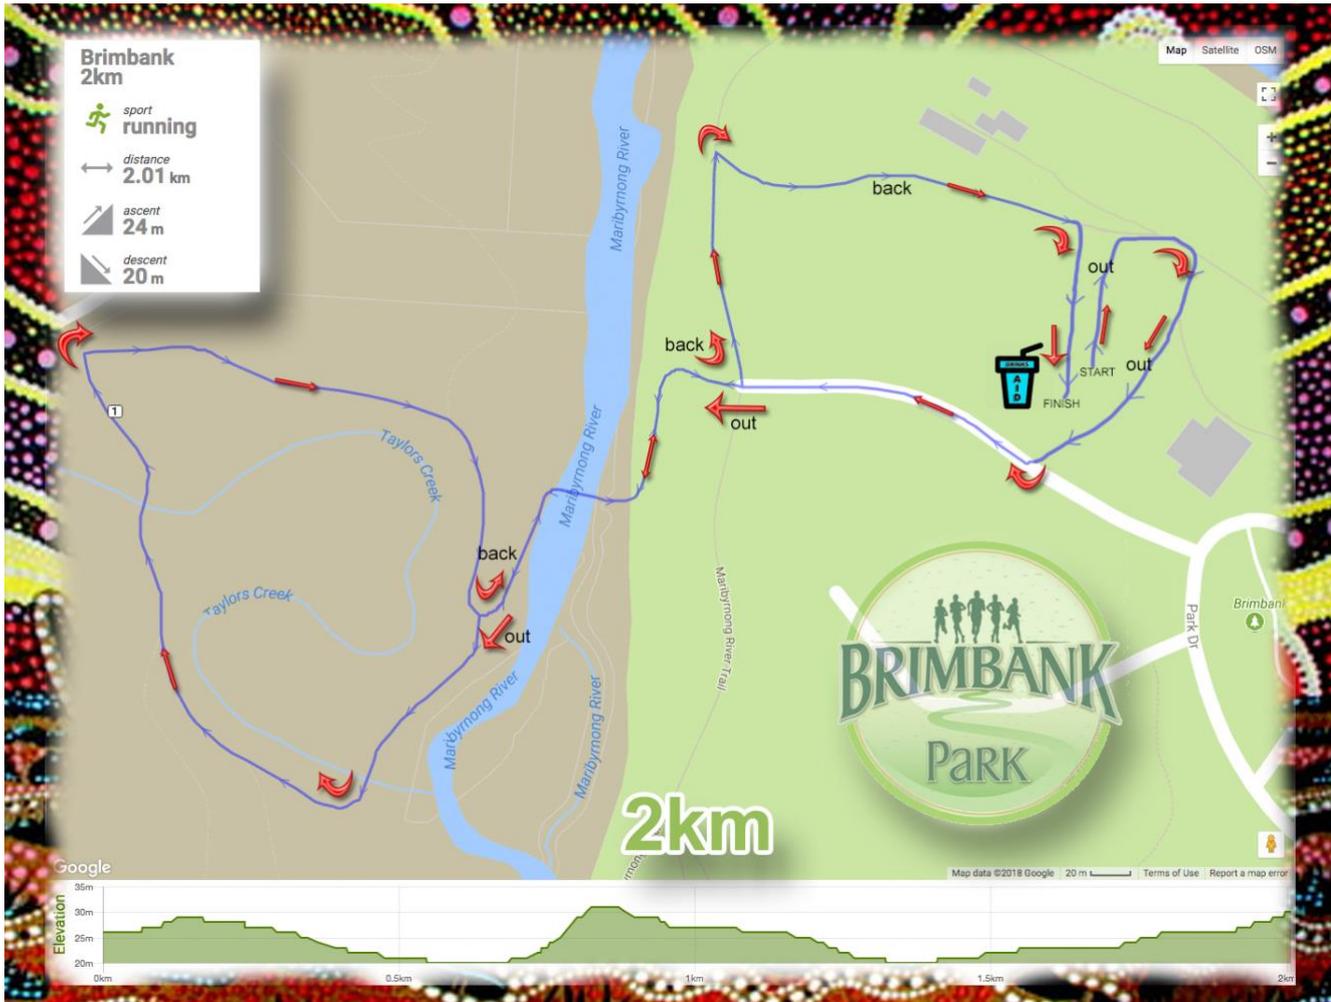

If there is no distance and just an arrow then it applies to everyone

WE ALSO USE SMALL ARROWS AND RIBBONS LIKE THIS

COMPETITIONS

All distances from 2km to 50km will be awarded trophies to 1st, 2nd and 3rd place male and female. We don't have our normal sponsors ready to go this year, but are hoping to have a couple of small gifts available for winners.

There is an overall team category too, whereby team members can combine their total Km's, its not about speed its about distance. So if 20 team members sign up for the 5km they earn 100 points, if another team signs up as 4 for the marathon they accumulate 168 points. (The team prize is the honour of winning)

If you need to leave before presentations and were a place winner, please be sure to collect your trophy from us.
