Hello Brett Saxon,

Thank you for submitting your COVIDSafe Event Checklist for the New Years Eve Trail Run on 31/12/2020.

Your COVIDSafe Event has been registered with the Department of Jobs Precincts and Regions (DJPR).

Tier 3 events do not require formal DJPR approval, however a copy of this COVIDSafe Event Checklist must be published on your organisation's website, Facebook page or other social media page, to ensure attendees understand the event is registered and that you have undertaken COVIDSafe measures for your event.

Please ensure that you publish this online prior to the event and adhere to the requirements described in the [Public Events Framework](#), your COVIDSafe Events Checklist, and government public health directions.

You must also comply with all other required licences, approvals and permits as you run your COVIDSafe Event, including those that are required to be issued by your local municipal council.

Please continue to monitor the [Restricted Activity Directions](#) and the [Public Events Framework phases](#) in the lead-up to your event, to ensure it still complies.

If the details change between now and the time of the event, please ensure you resubmit the updated details at www.coronavirus.vic.gov.au/register-your-public-event.

Kind regards,

DJPR Events Team
