## THINGS TO HELP YOUR DAY GO WELL GETTING THERE

---

What you need to know to make the Wonderfalls trail run weekend hassle & stress free before you run.

### BACKGROUND

This awesome location has limited parking options especially when the ground is wet. Therefore; as part of our permission to use this location as a host headquarters we must not use the carpark at Cumberland river holiday park. Of course if you are staying at Cumberland river as a guest you can park inside the park. We also have a contingency plan in place just in case weather is a real problem

**Plan A** – all participants in all distances must catch the shuttle bus from the 3 designated locations in Lorne. You are permitted to have a vehicle drop you off at the start line but the car must not be left unattended ( No Parking ), that means drop off and leave straight away please.

**Plan B** – if lead up weather conditions increase cumberland river flow, this will alter the start location. In this scenario participants staying at Cumberland river holiday park will be shuttle bussed to the Sheoak Picnic ground where the new start will be. All other participants must catch the shuttle from designated locations in Lorne township to Sheoaks.
