Wonderfalls held on August 19th 2023 Event INFO PACK

CHECK WEBSITE FOR MOST UP TO DATE SCHEDULE

Welcome and thank you for supporting the Wonderfalls Trail Run, so named due to the amazing wonderful waterfalls that we now take you to. This is a magnificent part of the Surf Coast and you are going to love the challenge, the sense of remoteness and the camaraderie of your fellow runners. As always, our goal at trailsplus is to provide a safe, friendly encouraging opportunity for people to connect with trail running and enjoy the outdoors and the glorious trails and mountains. You might be a first timer or experienced runner we see everyone as an important individual on their own journey and are here to support you and keep you safe.

The Wonderfalls Trail Run we consider to be very much an **adventure** and a **journey** more than a race. We really want you to enjoy the area and this requires that you take care on sections of the track. They are rocky and slippery in many places, there are several water crossings, you will get your feet wet, you need to take extreme care when crossing streams.

The courses may vary in distance and sections used depending on weather conditions to ensure your safety. We can guarantee your GPS watches will all read differently and the courses will read longer than expected. While our stated distances are 5-13-25-42-52km these can vary up to 3km either way depending on trail conditions and access availability.

The key to an enjoyable adventure here at Wonderfalls is to make sure you are early. Please make the effort to arrive well before your start time, catch the earlier bus, you will have an awesome day if you make a little bit of effort at the very beginning of your day

I hope you are all injury free and looking forward to a day or weekend away in Lorne.

At this stage it is an informal dinner arrangement We generally plan to meet at the Lorne Pub on the roundabout on Friday & Saturday night, keep an eye out for fellow runners and catch up for a chat. No specific booking will be made, So best to make your own booking.

MOST IMPORTANTLY HAVE FUN AND BE SAFE — *did I mention, be early 😊*

Brett Saxon — Trailsplus - Race Director

GETTING TO LORNE

There are two ways to drive to Lorne, either via the coastal route along the great ocean road from Geelong to Anglesea or inland via Winchelsea and Deans Marsh, both options are approximately a 2 hour drive from the Westgate Bridge.

FRIDAY DINNER

Lorne Hotel 6:30pm Onwards – 2023 is informal, no bookings have been made at this stage. The trailsplus team will try to be there if we finish setting up in time.

What is Plan B if River Rises to unsafe level?

We used to have a Plan B course if the river is flooded. Recent years weather has made plan B an unsafe option due to multiple river flooding events and the event was cancelled. If the River level is unsafe, it is more likely that we will postpone or cancel the event, however this is not guaranteed and only possible if a permit can be approved for a rescheduled race.

All participants must catch the bus from Lorne to the start line

SHUTTLE BUS, is compulsory for all events and supporters. Of course if you are staying in Cumberland river you don't need the bus 😊.

The shuttle service will start operating from 6:15am to ferry the 52km runners and continue to circulate until the 5km event starts. The bus will then have a break and will resume later for returning you to your car or accommodation in Lorne. The round trip takes approximately 20-30 minutes. Allow plenty of time to catch the bus and register. We suggest to allow an hour just in case you miss the previous passing. ALSO don't stress if you look like missing the start time, we will work with you (but this is not an out to be late just the same 😊)

REGISTRATION AND RACE BIBS

We do not mail out race numbers, numbers are to be collected at registration on race morning, this allows us to check who has started and account for everyone on course.

SATURDAY DINNER

For those remaining in Lorne Saturday evening after the race we plan to have an informal post race dinner, everyone welcome, there will not be a booking at this stage so it could be a hit and miss with Lorne being very busy especially if the weather is beach weather.

COURSE NAVIGATION

For the short and medium events of 5km, 13km and 25km, navigation is not too difficult, you are required to have an understanding and general idea of the land marks you are heading toward. This is a great tool to have as a runner. Knowing key points in order like,

3 River Crossings, Climb, Garvey track, Castle Rock, Great Ocean Road Aid, Sheoak Falls, Swallow Cave, Sheoak Picnic Ground, Kalimna Falls, etc. These all help as there are many parks signs on course, plus of course we provide arrows and ribbons, but you do repeat sections so knowing when to go left or right the 1st or 2nd time you arrive is important. We do prefer you to carry a copy of the map on your phone with you, there have been several instances of referring to maps to be sure you are going the correct way and it has saved a few people along the way.

The 42km and 52km events are easy to follow also, though they do have complex decision points especially at Sheoak Picnic ground where you arrive and depart several times in different directions, it is a key hub and requires some study of the map and definitely a map must be carried, we will have aid station / marshal help on hand to assist also, but check and ask to ensure you go the right way at the right time.

Course changes

From 2022 will see some course changes, The 42km and 50km runners get to experience the incredible Hendersen and Phantom falls along with the Canyon. Then it's more river crossings, yes up to 15 crossings on the way to Blanket Leaf Picnic ground the trail runner in you will love this section, enjoy where you are, take care on the rocks as you rock hop across the river, its mostly only one to two steps each crossing, follow the timber sign posts with arrows to know where to cross. We may even have a new track as an alternative for the 52km runners to enjoy.

CUMBERLAND RIVER WATER CROSSINGS

YOU WILL GET YOUR FEET WET, the Cumberland river is a seasonal flow river, at times the water is a trickle and can be stepped over, but at full flow the river can be 30M wide and 1M deep. We will be carefully monitoring the depth of the crossing points and water flow, if deemed unsafe its likely the event will be postponed or cancelled. We may install ropes across the river to use to balance and maintain steady footing on the rocky bottom. Regardless of depth extreme care is needed picking up a sturdy stick or a walking pole

maybe helpful, its up to the individual. Recent conditions suggest it will be ankle to knee deep, however any heavy rain can change that.

KEEP AN EYE ON YOUR EMAILS

If by freak chance there is a deluge of rain WEDNESDAY - FRIDAY I will use the entry registration system to inform you of late changes.

YOU MUST HAVE YOUR OWN CUP OR BOTTLE

WE ARE PLASTIC & PAPER CUP FREE

We are doing our bit , we know its small but every little bit helps.

Remember the girl who threw 1 of 1000 starfish back into the ocean, she made a difference to that one didn't she.

Bring your own bottle, cup, bladder or bring \$5 for our plain and printed reusable silicone cups.

Help us make a difference no matter how small. NO PLASTIC or PAPER CUPS

EVENT SCHEDULE

Friday Dinner - An informal “not booked for August 2023” - Pre Race Evening dinner Lorne Hotel from **6:30pm** 176 Great Ocean Road Corner of Bay St on the Round about, not compulsory but we would love to see people get together as a group, if attending please check around the facility we may be in the back room together. Order and Pay at the Kitchen Counter before sitting. Be great to shoot me a text with your name saying you will be attending and we can keep an eye out for you. (When informal, our presence is subject to setup progress and time to attend) When formally booked we are there for the fun. Please note the trailsplus team may still be setting up late Friday and may miss dinner.

SLOW RUNNER?

We always try to work with slower runners to take away the pressure of being out there longer. So if you think you need to start earlier, send us a message and let us know your concerns and we will work to get you going a little earlier, for a more relaxing day. Early starts are not available just so you want to get home earlier 😊 Its for slow runners.

COURSE AND SAFETY

CONTINUED ACCESS AND THE FUTURE OF THIS EVENT

The future ability to hold this event depends totally on how we as a group conduct ourselves. Parks Victoria does not guarantee we can continue to hold this event, but if we are to have a chance of future events in this location it is important we abide by a series of guidelines. Some of these are permit conditions others are rules of the area.

We must not park in the Cumberland River front carpark or at Sheoak car park if it is the race hub, visiting temporarily to see your runner is ok so long as you don't stay there too long(15min max), **Dogs are not permitted** at all it is a national park. We must give way to all other park users, walkers, motorbikes, cars.

RESPECT OTHER PARK USERS

Do not startle people by charging up behind them, let them know you are coming past or take a wide birth, remember there may be bush walkers in the area, please take care if approaching or passing on the single tracks in particular. Tracks can be muddy and slippery, so be mindful of the impact you may have on others footing and balance when passing.

Environment LEAVE NO TRACE Do Not Leave any sign of rubbish behind, it is very important that we don't drop rubbish or let rubbish get away from us at the aid station. In particular our Gel packets and tear off tabs, please don't drop them on the track, carry them with you to the aid station or drop in the bins provided

All events will have pre race briefings to go over any questions you may have and to provide me an opportunity to quickly cover what is required from us all on the day.

YOU MUST ATTEND THE BRIEFING OR WILL NOT BE PERMITTED TO START THE RACE UNTIL BRIEFED AND THE CLOCK WILL BE RUNNING

HELPING RUNNERS IN NEED It is normal trail running etiquette and a requirement of entry to the event that you assist any runner in need of help, if you come across an injured or distressed runner, please offer assistance ,or get assistance for them. Runner's health and Safety is our number one priority. We will take into account the time (in regards to your finish time) you spend with a runner in need if you are then able to continue on with the event and finish.

PERSONAL BELONGINGS if you intend to have valuables, please consider locking them in your car and out of sight. We cannot guarantee the security of your personal effects. There will be an area to place your bags, but we strongly advise to secure your valuables, as we cannot watch over the bag area all the time.

DRINKS AND FOOD The aid stations will have water and electrolyte drinks available from 20 litre containers. The Aid Station will be stocked with a small amount of, Lollies, Chocolate, Fruit Cake, and much more. (remember since covid there is no self service – you must wait to have the volunteers fill your drinks or use tongs to drop food in your hand)

AID STATION DROP BAGS Due to the often later delivery of drop bags and trouble getting them to location we have decided this year, drop bags will be only available at the Sheoak Picnic Ground and Blanket Leaf Picnic Ground, this impacts the 52km, 42.2km and 25km runners. There will be only one delivery that will leave no later than 8:30, so if you want to have your own drop bag items delivered, you must put them in the bin before 8:30am regardless of your event start time.

WE HAVE AMAZING COFFEE FROM DIVINE GRIND (ANGE) AND HOPE TO HAVE PIZZA or HOT FOOD by MARIANA AT THE START FINISH AREA, ALSO THE REFRESHING RECOVERY SPORTS BEER ZERO+

We encourage people to bring warm clothes for after the run and dry socks and shoes, remember many will need to catch a bus and the bus will resume circulation approx. 1pm.

ROAD CROSSING AND PATH MERGING

There is one road crossing where you may encounter some public traffic, this is located on the approach to Sheoak Picnic ground. Please take extreme care when on the dirt road running up the road for 200M between Kalimna track and picnic ground access track.

PLEASE FOLLOWING THE INSTRUCTIONS OF MARSHALS AND OFFICIALS

MUSIC DEVICE DISTRACTIONS whilst we understand many runners like to run with music, we request that you do not use music during this event. Remember many runners will be offering you encouragement and so will supporters, so please consider how you may be able to hear and

acknowledge the support you will receive. Also it is extremely important you are aware your surrounds and none race users, these may be other runners or cyclist warning you they are coming. Enjoy the people and the great location, listen and enjoy your surrounds.

Start Finish We have a finish line Gantry and will be using Chip Timing via our RaceResult timing system. This requires that your race number is visible when you pass through the finish chute, please help us to accurately time your race by clearly displaying your race number on your waist. We also have 4 timing check points on course that will record your location and correct course.

Phone signal on much of the course is very poor and this can also effect our live results, please be patient, if we cant get live results out during the event we will do our best to get them up soon after the race.

TIMING CHIPS MUST BE RETURNED ON COMPLETION OF YOUR EVENT

RACE NUMBERS – WE DO NOT POST OUT

All participants must check in on the morning and collect your race number, race numbers must be visible at all times as this allows the timing people to confirm your finish recording. It is important that your number is not obscured or even covered by your own arms, many people get ready to stop their watch as they finish, wait until you have passed the finish line to put your hand up to stop the clock, many finish line photos are ruined as people are looking at their watch, 1 or 2 seconds won't matter and you can always take 1 or 2 off the finish time knowing you crossed before stopping the watch.

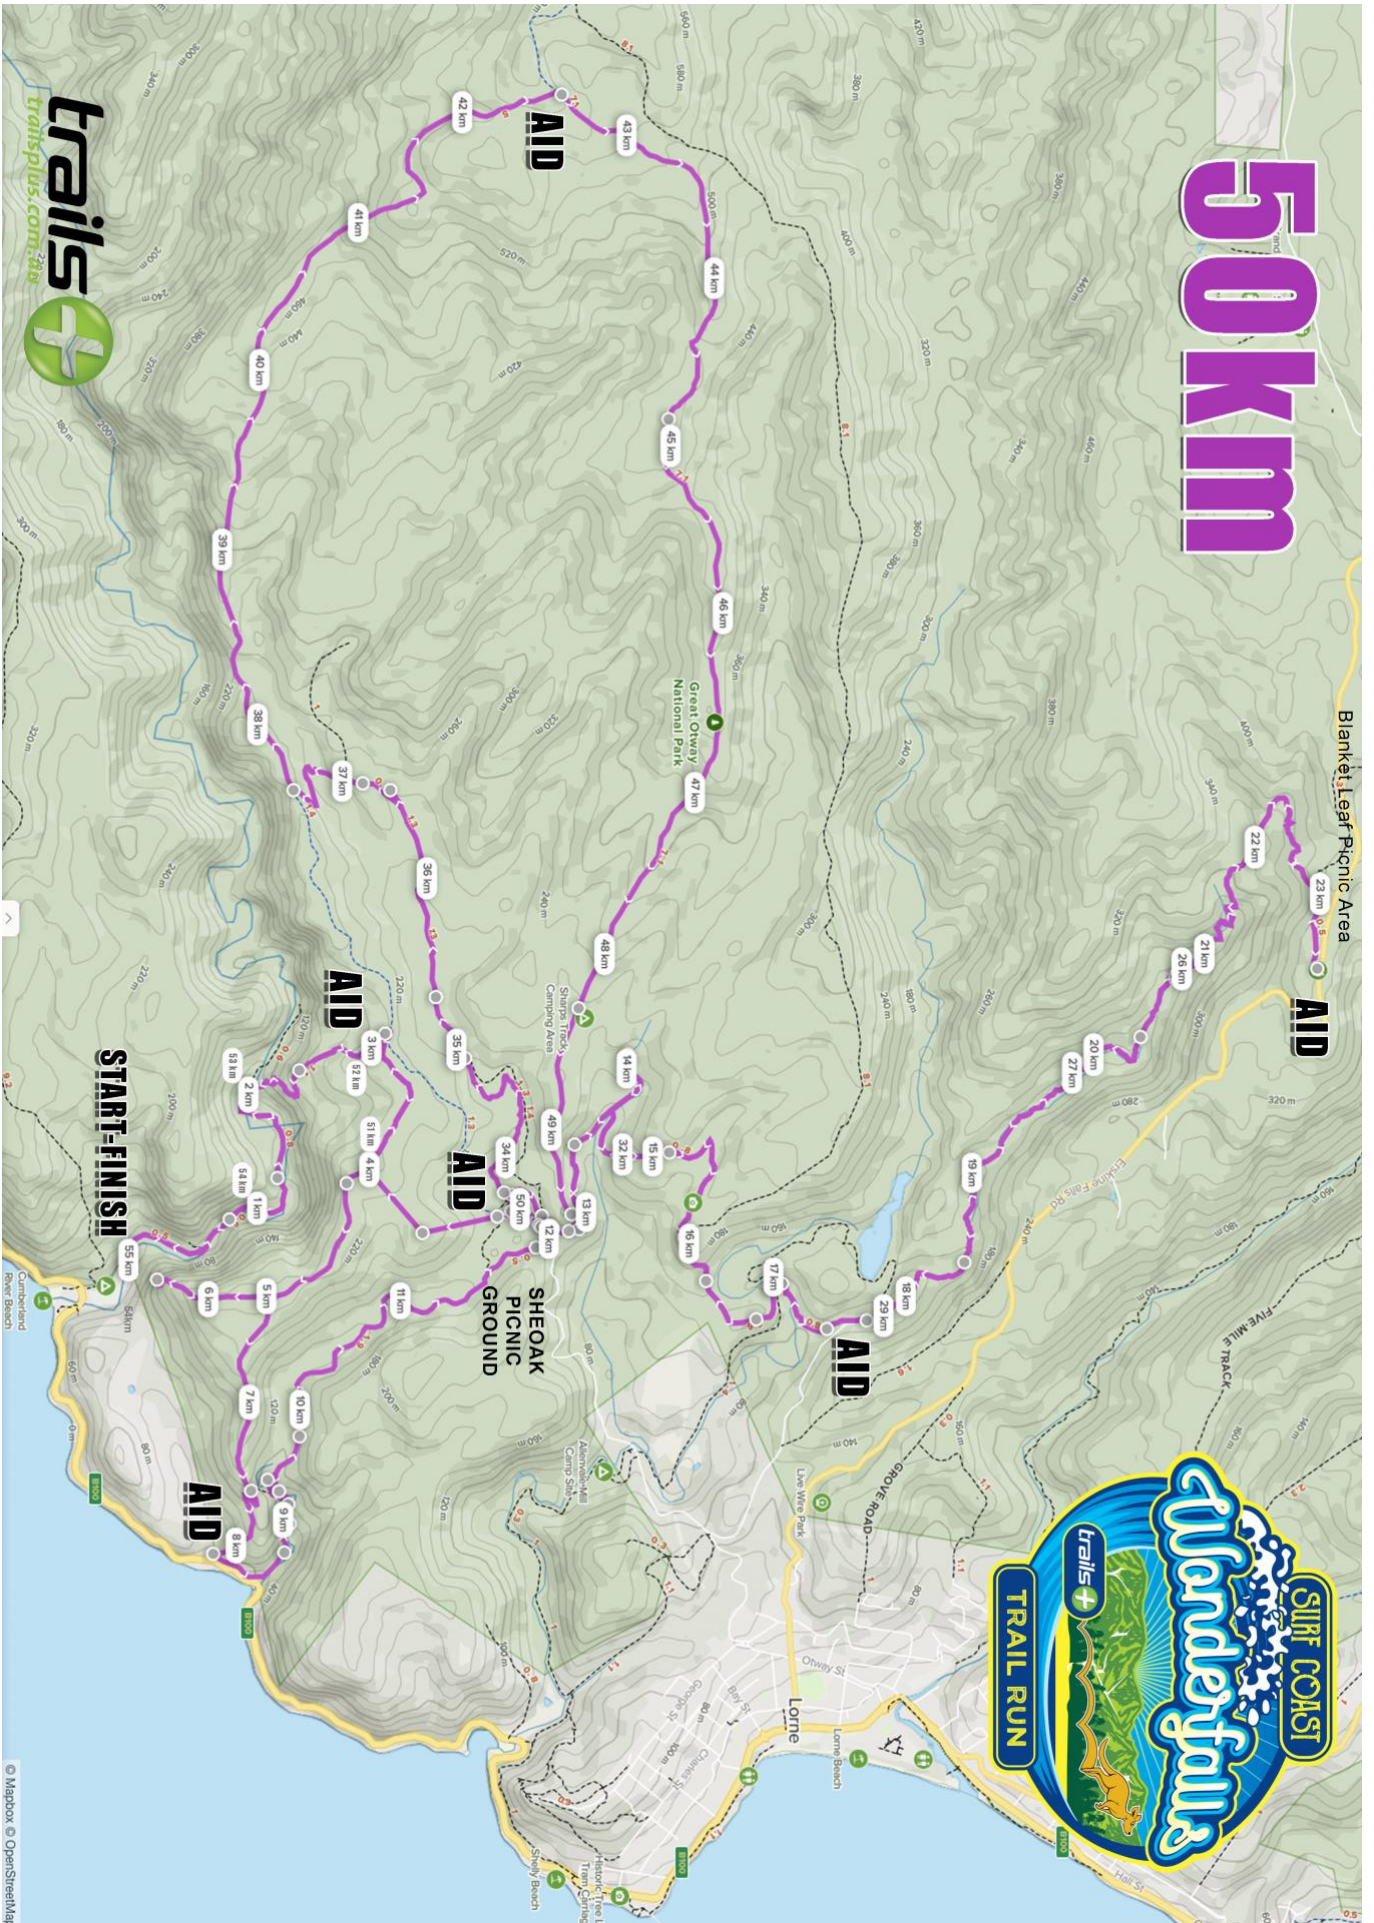

WE WILL CUT THE TIMING CHIPS FROM THE REAR OF YOUR BIB WHEN
WE GIVE YOU YOUR MEDAL

PLEASE DONT LEAVE WITH TIMING CHIPS

We will swap chips for your finishers Medal..

MAKING YOUR WAY OUT OF SHEOAKS PICNIC GROUND

Sheoaks picnic ground is a central hub aid station, if you are running the longer distances you arrive here 2 or 3 times, the shorter distances 1 or 2 times. While it is as simple as, first time turn right, second time go straight, third time turn left for 42 & 52km , we decided to provide you a little map to help you out, Please take note of the map and help yourself have a great day on the trails without adding or cutting short your race. 25km and 13km is a once only visit, 25km straight through, 13km left and out the rear carpark

SOME OF THE COURSE MARKINGS YOU WILL SEE OUT THERE

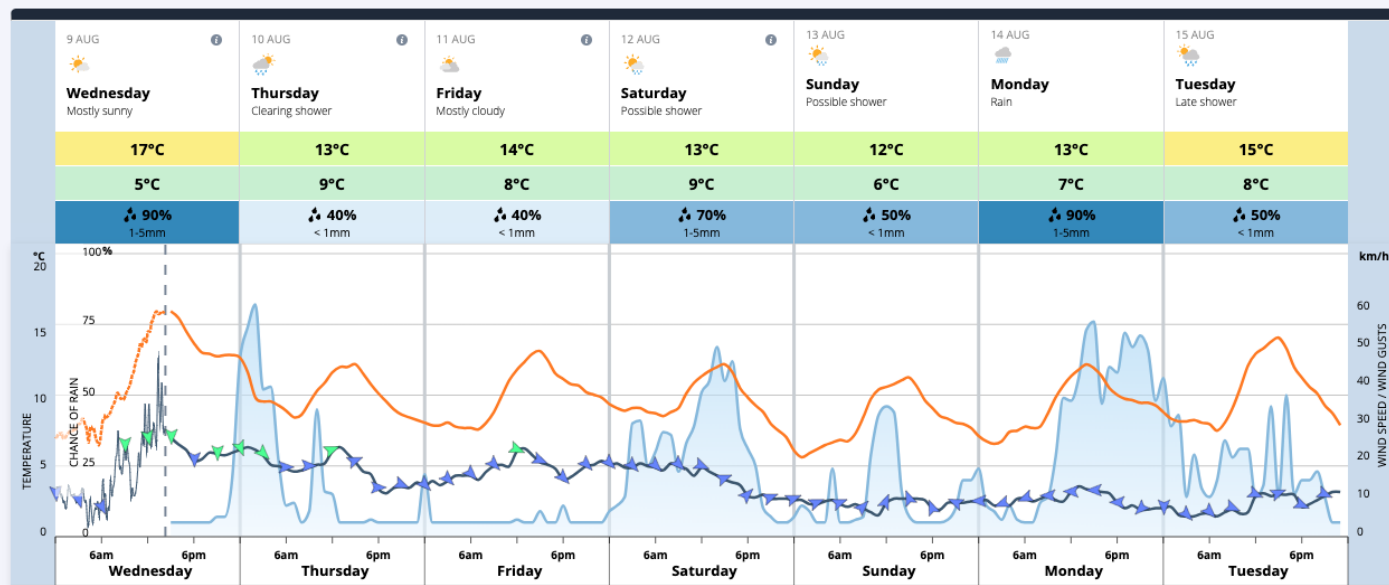

An arrow on the ground showing the way and pink and yellow ribbons clipped to a bush. Ribbons are used into and out of junctions, but rarely on trails where no decision is required. Basically if you enter a trail and there are no options there will be very few ribbons

WE USE RED AND WHITE ARROW AND CROSS CARDS PLUS PINK AND YELLOW MATERIAL RIBBONS LIKE ABOVE. WE ALSO USE OUR LATEST BRIGHT ORANGE ARROWS AND ORANGE RIBBONS WE WILL ALSO USE WHITE CHALK GROUND ARROWS. AT BUSY INTERSECTIONS THERE WILL BE MORE DETAILED SIGNS IF REQUIRED THAT WILL ADVISE DIFFERENT DISTANCES WHICH WAY TO GO

MOST RECENT WEATHER AT TIME OF PUBLICATION

Lorne 7 Day Forecast

It's still a little far out from race day to know what we will get but bring some warm clothes for post run and too and hang around and warm up with some hot food and coffee, the likely rain before race day might add to the slippery trails, so get those trail shoes ready, road shoes not recommended. You are crossing the river several times, your feet will be submerged, bring spare socks and shoes to put on after the race.

YOUR RACE KIT & GEAR

Suggested and required gear to have with you

Mandatory Gear to have in your kit bag that may be required to be carried on the day.

Waterproof Hooded Jacket, Gloves and Beanie or Buff.

Recommended Gear to carry with you during the event

Mobile Phone, Map, Wide compression bandage, Hand held water bottle or hydration pack, emergency food.

Post Race clothing

Be sure to bring a bag of clothes and dry socks and shoes for post race. Remember you finish crossing the river 500M from the finish, perfect to wash mud off, but your shoes will be wet.

YOUR REWARD FOR FINISHING YOUR EVENT

ENJOY A REFRESHING ZERO+ SPORTS BEER

Zero Alcohol electrolyte enhanced

All competitors who complete their event distance will receive a custom designed medal to commemorate your achievement.

PHOTOGRAPHY

We always try to have volunteers taking pictures on course, keep your eyes open and be ready to be captured in action, this is only available when volunteer numbers allow.

PRESENTATION

Presentation will take place as soon as we can establish results for each event, presentations are low key, its always great to have people hang around and be part of the presentation ceremony, enjoy the post race HOT FOOD, COFFEE and BEER and mixing with friends.

CAR PARKING participants must catch the bus as per shuttle bus plan. Obviously, those staying in the park will be able to park within the park itself and not require a bus, all competitors and supporters are to use the shuttle bus service, see information on shuttle bus.

Parks Victoria, Barwon Water, Private Land Owners and Surf Coast Shire

We are extremely grateful for the opportunity to conduct this event in the Surf Coast and Lorne region. Thank you to all the authorities who have supported getting the event on the sporting calendar.

INSURANCE

The event insurance policy does not extend to personal injury; it is highly recommended that you have personal insurance cover or at least ambulance cover in time for the event, the shortest of ambulance trips can cost thousands of dollars and if air ambulance is required it can be upward of \$10,000:00. For around \$100 ambulance membership it is a very smart insurance policy to have just in case, for this event or anything in life.

By entering this event you take full 100% responsibility for yourself and or your children. You enter the event fully aware of the risks naturally occurring on a wet slippery river trails and river crossings. I / We fully waive any claim against trailsplus and all people involved in organising the event, as I totally enter of my own free will and understanding the risks.

TOILETS

There is a main toilet block located at the Sheoak picnic ground, and blanket leaf picnic ground, there are toilets at the camp ground where we will be hosting the event from and there are toilets at all carparking locations in Lorne, so use them before catching the bus.

TROPHIES

We will be awarding the 1st 2nd 3rd Male and Female in each event with a custom trophy mug.

PRIZES

Only when available we may have a selection of prizes on the day to give away, these may be as podium prizes, spot prizes or special awards. Pending availability from sponsors.

SPECIFIC BUS INFO HERE

What you need to know to make the Wonderfalls trail run weekend hassle & stress free before you run.

BACKGROUND

This awesome location has limited parking options especially when the ground is wet. Therefore; as part of our permission to use this location as a host headquarters we must not use the carpark at Cumberland river holiday park. Of course if you are staying at Cumberland river as a guest you can park inside the park. We also have a contingency plan in place just in case weather is a real problem

Plan A – all participants in all distances must catch the shuttle bus from the 3 designated locations in Lorne. You are permitted to have a vehicle drop you off at the start line but the car must not be left unattended (No Parking), that means drop off and leave straight away please.

Plan B – we no longer use our plan B options after further risk assessments showed it was not safe with river crossings impacted more than initially assessed. PIB as such is now a postponement or cancellation.

RUNNER REQUIREMENTS

Race Start Times

8am 52km	<i>Runners should be in Cumberland River Holiday Park 1hr before</i>
8am 42km	<i>their race distance starts.</i>
10am 25km	
11am 13km	<i>We have a 57 Seat Bus it will circulate from 6:15, requires \$10 fee</i>
12:00pm 5km	

WHO MUST CATCH THE BUS

Please don't try to bypass the system, it's safer and better for everyone if the following is adhered too.

EVERYONE must catch the bus

There is a fee of \$10 and to speed up the process please have a \$10 note ready to drop in the collection bucket. Only Runners have to pay, supporters do not, but runners have seat priority ALWAYS, if you are standing around waiting and it looks like too many for the bus please only runners should board.

We highly recommend that you catch the bus allowing enough time for trip which is about 15 minutes. Plus remember sometimes it takes 15 minutes to find a suitable carpark spot in Lorne

Please refer to the maps and estimated bus schedule and pick up locations and parking options.

Please also make sure that you park legally, there are parking restrictions in Lorne, we are offering some suggestions, but these also need to be checked by you to ensure no new parking restrictions apply.

We recommend if you are staying in Lorne to walk to the bus if possible as your car is parked at your accommodation, this will help day trippers find a spot a little easier. Be Early and relax, Drive Safe.
